PREFACE

This completely revamped fourth edition of the North American Soccer Guide has further extended its coverage as more soccer centers, both in the United States and Canada, are added to the roster of those reporting their activities in the past season.

For the first time the United States Soccer Football Association, as a gesture of goodwill, will send a complimentary copy of this publication to each of the other 73 sister nations of the Federation Internationale de Football Association.

In an attempt to limit the confusion among players and fans, mostly from lack of publicity, which is sure to follow enforcement of changes in Law 12 the attention of all concerned are directed to a special explanatory article appearing elsewhere in this publication.

The addition (3) to Section 2 of Law 12 deals with the offence of and the penalty for obstructional plays.

It is hoped the article will fulfil the service for which it is intended.

The picture on the front cover, which appeared in the Globe and Mail, depicts sharp action in the Toronto game between Glasgow Celtic F. C. of Scotland and Fulham F. C. of London, England. Ian Black, Scottish international goalie who defends the nets for Fulham, goes up to snare a high cross while John McPhail (striped jersey) of Celtic goes in for a tackle and on the right Taylor of Fulham is moving in to give plenty of shoulder coverage for Black. On the left, the alert and ready Lowe of Fulham intently watches the action. The game attracted 22,000 fans and ended in a 1-1 tie.

Without the help of John Ardizzone and Duncan Duff in California, Al Smith in Colorado, Dick Davenport in Connecticut, George Fishwick, Editor of the National Soccer News in Illinois, Millard Lang, Gene Ringsdorf and Eric Langford in Maryland and District of Columbia, Sam Foulds in Massachusetts, John MacEwen in Michigan, Dent McSkimming in Missouri, Ed Crowell and Tom Connell in New Jersey, Max Behrens, Hans Chalfon, Lambert Francis, Milt Miller, Tommy Mainwaring and Dr. Eric Stoerger in New York, Ed Kozdron in Ohio, Ray Sunderland in East Pennsylvania and Harry Fairfield in West Pennsylvania.

Also James Renwick in Rhode Island, William Morrisette in Southern New England, Al Collins in Texas, Vic Weston in Washington, Joseph Kelly in Wisconsin, John Rimmer and James Baker in Alberta, Austin Delany and W. A. Coleman in British Columbia, Vince Leah and P. Gillatt in Manitoba, James Ritchie in Saskatwechan, Alex MacGregor in Ontario and Doug Campbell in Quebec in addition to the college and university physical directors and coaches, the compilation of this compendium would have been impossible.

Thanks are also extended to Erwin Single, WWRL soccer commentator and Editor of Soccer News, for his masterful stories on United States and World Roundups, to Joseph J. Barriskill, executive secretary of the United States Soccer Football Association, for a mass of detail and to Miss Dita March, a senior student at Fashion Institute, who designed and executed the Hall of Fame Scroll.

1950-51 U.S. ROUNDUP

By Erwin Single, Editor Soccer News

If season 1950-51 will go down in the record books as being a trifle short of sensational, it will be largely because any soccer semester following the stunning World Cup upset inflicted upon England was bound to suffer by comparison. Actually, there have been no international games for the U.S. team since its return from Brazil a year ago. The North American Zone games, first scheduled for June 1951 and then postponed until September 1951, have now become a possible June 1952 project. Efforts to book games with other soccer nations have produced polite turndowns, except a probable international match against Scotland at Glasgow's famed Hampden Park next April or May. If this initial match comes off, it may lead to several other international fixtures and may furnish our national team with the type of continuing competition it so sorely needs.

In the absence of bona-fide international games, the best yardstick by which to determine our progress or lack of progress is the annual foreign tours series in May and June. Here, again, the picture is none too bright. All told, our American teams could capture only two out of 21 games, while tying one and losing eighteen, for a tottering percentage of .119. The showing against Glasgow Celtics was 0-and-4, against Eintracht Frankfurt 1-and-6, and against AIK Stockholm 1-1-8. Only Zenthoefer of St. Louis and the New England All-Stars were able to win any of their foreign tour fixtures, with the Pittsburgh area coming up with a 2-2 tie against Stockholm. Earlier the Zenthoefer had edged out Frankfurt by 2-1 and the New England team squeezed out a similar win over Stockholm.

On foreign soil, the select German-American League team was able to earn a tie against former German champion VFR Mannheim, but lost seven other starts in Germany. New York Americans won three out of four in Bermuda, a creditable feat though Bermuda is by no means a soccer bigwig. As a goodwill gesture the State Dept., on three days notice, flew the Penn State College team to Iran for a three game series of which two were lost. In the second game, played at Shiraz, the Pennsylvanians marked up a 3-0 victory.

Turning to purely domestic events, the top performance of the year went to the German-Hungarians of Brooklyn who duplicated Ponta Delgada's feat of 1947 in winning their own league title plus both National cup competitions. It may have been a trifle more than just a coincidence that John and Ed Souza were the vital cogs of both Triple Crown winners. Nick Mueller's team had to do it the hard way, coming from behind in both cup finals to clutch the silverware, through ninth inning rallies, from Harmarville and Heidelberg, two aggressive West Penn finalists. It was altogether fitting, too, that the tying and the winning goal in the National Challenge cup should be scored by Andy Hritz, the center forward whose career seemed all but over after a freak automobile accident in December.

Most of the league competitions ran true to expectations with the winners emerging earlier than usual. Philadelphia Nationals again triumphed in the American League, giving the Millsmen their third straight pro title. This time they also added the Lewis Cup to their trophies, but ran afoul of the German-Hungarians in the open cup Eastern final. The selfsame Hungarians took the G-A League's Big Ten crown from Eintracht. Greek-Americans earned promotion to the Top Ten, while the former perennial runnerup, New York Sport Club, saw a disastrous season and escaped demotion to a lower bracket when the division was increased to twelve teams.

A New Jersey entry, Paterson Dovers, again won the National League title. Sada swept both Metropolitan League competitions and New World rallied to retain its Eastern League championship.

On the official side, only minor reshuffling of offices resulted at the USSFA's annual meeting in Los Angeles. Except for the replacement of Gene Ringsdorf of Maryland by John Paige of West Pennsylvania, the official slate remained intact with Fred Netto continuing as president for a second term.

Two of the three foreign tour projects wound up with handsome profits. The American Soccer League's sponsorship of Glasgow Celtics and the German-American League's Eintracht Frankfurt tour both did so well that both organizations will undoubtedly make plans to import another topnotch team from abroad next May. On the other hand, the AIK Stockholm tour wound up with a loss of over \$6,000. It may well be some time before another Swedish team will visit our shores.

The National Junior Competition went to Seco St. Louis over Midway Philadelphia. Several former junior players rose to distinction during the season, but it became painfully apparent that the entire junior effort is badly in need of coaches and managers to handle the promising talent now on hand.

1950-51 WORLD ROUNDUP By Erwin Single

Two small countries dominated the world soccer scene during the 12-month period that came to a close on June 30, 1951. In the very first of these twelve months, the national team of Uruguay won the fabulous World Cup Tournament at Brazil, defeating the host country in a stunning upset before 199,854 in the cup final. On the other side of the world, little Austria provided no less of an upset by twice inflicting shutout defeats upon Scotland. The first meeting resulted in a 1-0 Austrian win at Glasgow in November 1950, while the return match at Vienna went to the Austrians by a convincing 4-0 margin.

England's first division championship went to newly promoted Tottenham Hotspurs. The English soccer writers had picked the 'Spurs ere the season opened' and the classy London team catapulted straight from the top of the Second Division to the peak of the First Division. Tottenham's 60-point total provided them with a four-point edge over Manchester United in the runnerup position. Blackpool finished third with 50 points, Newcastle fourth with 49. The Liverpool Reds, well remembered for their two visits to these shores, wound up ninth with 43 points, while Fulham, a Spring visitor to Canada and the U.S., had to content itself with 17th place.

While Tottenham made good with a bang, the second promoted club,

Sheffield Wednesday, failed to make the grade. In a thrilling three-way race to avoid demotion, Chelsea's last minute 4-0 victory over Bolton sentenced the Wednesday and venerable Everton to relegation on goal averages. Preston North End and Manchester City, neither of them strangers in the First Division, fought their way back into the upper Twenty-Two.

Two goals by Jackie Millburn enabled Newcastle United to defeat Blackpool by 2-0 in the English Cup Final. Glasgow Celtic's copped the Scottish Cup Final shortly before their journey across the Atlantic, while Edinburgh Hibernians triumphed in Scottish League play.

The most thrill packed league race on the Continent took place in Italy. After going unbeaten for a seven-month period, first place FC Milano dropped an entirely unexpected 2-1 decision to fourth place Laslo in their last league game. The defeat made it possible for Milano's derby rivals, Internazionale Milano, the team that visited the U.S. three years ago, to capture the championship in a ninth inning finish—provided they won both of their last games. But the "Ints" obliged FC Milano by dropping a 2-1 verdict to 16th place FC Turin, after the rumor mongers had spread a report that the game had no more bearing on the championship race since FC Milano was supposed to have won their game at Laslo by 5-1.

At the end of their 38-game season, FC Milano had amassed 60 points, Internazionale 59 and the defending champions, Juventus Turin finished third with 54 points.

A similar last minute excitement developed in Germany. In the last qualifying matches to determine an opponent for FC Kaiserslautern in the championship final, the ofttime champions FC Nuernberg had defeated Hamburg SV by a seemingly convincing margin. But, at Berlin, Preussen Muenster had rallied in the second half against Tennis Borussia Berlin and wiped out a two-goal deficit with an amazing eight-goal splurge late in the game. The 8-2 win placed Muenster into the final, but Kaiserslautern came through to win its first German championship by 2-1.

A three-point margin enabled Lausanne to win the Swiss title over Chiasso, and, in little Lurembourgh, Jennessé finished four points ahead of runnerup National. Nizza took the lead in France, while Rapid Vienna wrapped up the Austrian championship with 43 points, as against 38 for Wacker Vienna and 32 for Austria Vienna.

As always, Malmö FF walked away with honors in Sweden, piling up 37 points as against 28 for runnerup Röa. Of the teams known to American fans, Djurgården finished sixth with 32 points, Jonköpings ninth with 18 points and AIK Stockholm eleventh in the 12-team league with 17 points. Kamraterna Göteborg is now located in the second division.

In Denmark, the bunting went to Akademisk, who had a nine point lead over Odense, while in Norway Fredrikstad and Lyn are leading the two divisions and playing through the brief summer season.

Over in the Iron Curtain countries, only Rumania had finished the season by the end of June. The Central Club of Army at Bucharest took first honors with 19-3 points, followed by Dynamo Bucharest with 15-7. In soccer-hungry Hungary Bastya is leading Honvéd by 23 points to 22; in Czechoslovakia it's Vitkovice, Kosice and famed old Sparta Prague with 21, 18 and 17 points; and in Yugoslavia the championship race is being led by Dynamo Zagreb with 18-2 points as against 15-5 for Hajduk Split.

OLD TIMERS' ASSOCIATION

By Bill Graham, Life Member

This Philadelphia organization, which boasts a roster of 800 and sponsors the Hall of Fame, again packed more than 400 into the Rifle Club dining room March 3 for its annual banquet and its second presentation of certificates to those elected to the Shrine.

Of the 21 named in 1951, George M. Collins of Boston, John M. Fernley of Mass. and Dick Spalding of Philadelphia are deceased. Of the 15 elected in 1950 Andrew M. Brown of Ohio, Sheldon Govier of Chicago, and Edgar Lewis of Bethlehem, are deceased.

Catching up with 80 years of soccer in the U.S. with the election of 36 to the Hall of Fame in two years, the organization, apparently, is preparing to cut, sharply, the number elected annually to the Shrine.

Its officers for the current year are:

SECRETARY—Chas. Dalton, 4724 C Street, Philadelphia 40

PRESIDENT—Wm. R. Hawkins, 98 Champlost Ave., Philadelphia 20

V. PRES.—Gus Monk, 5818 Akron Street, Philadelphia 24

1951 HALL OF FAME

HAROLD BRITTAN. After World War I played for Derby County and Chelsea of the English League. Came to America after cessation of hostilities and played for the great Bethlehem team for some years and then joined the equally great Fall River combination. Was regarded as one of the outstanding players of his time.

DAVE BROWN. In the early 20's the sport witnessed its greatest array of talent and in the galaxy of stars was the diminutive Dave Brown. Lack of bulk was compensated by dash, speed, ball control and terrific shooting. In 1926-27 set a record of 53 goals and in three successive games netted 13 markers and later registered a quintet against Providence. From 1914 to 1932 played for Ford, West Hudson, Paterson, Erie, Newark and New York Giants. Then coached Brooklyn S.C. for three years. In International games played twice against Canada in 1925 and again in 1926. Sparkplug during the Bethlehem's visit to Sweden in 1919 he again made in the trip in 1920 with the St. Louis team at the request of the Swedish Association. His two sons, Russell and Eddie are now engaged in active competition.

GEORGE M. COLLINS. Played as a schoolboy in Scotland and came to U.S. in 1908. Played with Boston Rovers and Charlestown as wing forward

and halfback and was known as "Old Stonewall". Organized Massachusetts State Association and was secretary for nine years. President of Boston League, Williamson and Grieve Cup competitions. As delegate to U.S.S.F.A. assisted in creating National Amateur Cup tournament and managed U.S. Olympic team to Paris in 1924. This has been only team to get past first round but later lost to Uruguay, the ultimate winner. Manager of the Brotherhood F.C. of Worcester which played a round robin of three visits with the industrial plants of Worcester, England. Third vice president of U.S.S.F.A. in 1916-17 and soccer editor of Boston Globe from 1914 until he died in Boston on June 30, 1950 at age of 62.

EDWARD J. DONAGHY. Played junior in native Scotland before coming to U.S. in 1911. From then till 1919 played with Tacony, Phila. Hibs, Bethlehem, Braddock, Homestead and Castle Shannon and is holder of seven league and cup championship medals. From 1920 till 1928 refereed all important games in West Penn. Came East and officiated in two National Open and two Eastern Amateur Cup finals. Worked in American, Atlantic Shipping, Eastern, Field, Gas and Electric, Metropolitan and Public School league. Refereed three World Cup elimination games in Mexico City in 1934 between Cuba and Mexico. Has been president of N.Y. National and N.Y. Referees Committees. Since 1949 has been on Arbitration Board of Eastern District League and now its chairman.

RUDDY EPPERLEIN. Coming from Germany took an active part as a player of some repute. For the past 25 years has been the sparkplug and backbone in the promotion of the sport in and around Buffalo. Has had many years close association with the Buffalo Beck's who always play a strong part in the Western Division of the National competitions. Recently promoted a game between his team and the touring Eintracht S.C.

JOHN A. FERNLEY. On the formation of the U.S.S.F.A. was the delegate from the Southern New England district. Elected first vice president of the governing body in 1914. On the resignation of Dr. Manning in 1915 was elected president and held office till 1917. Deceased.

WILLIAM FRYER. Played English schoolboy international against Scotland and later for Newcastle and Barnsley, English major leaguers. Came to U.S. in 1920 and till 1935 played for Tebo, Todd Shipyard, Paterson, and New York Giants then sold to Fall River for record fee of \$1,500 and then to Brooklyn Wanderers, Brooklyn, Newark and Clan Gordon. Has two National Cup medals earned with Paterson in 1923 and Fall River in 1926. Also has more than 20 other league and cup championship medals.

GEORGE HEALEY. Played as schoolboy in England and later in Detroit. Organized league there and in 1905 became its president. Then organized Michigan State Association and was president from 1913 till 1919. In 1916 became third vice president of the U.S.S.F.A. for two years and then another two as second vice president. Elected president of the parent body in 1919 and retained office till 1923. During the years he was a National executive served as chairman of Rules and Revision Committee till now with the exception of a break of three years.

MISS ALFREDDA IGLEHART. Proves that while this is a man's world you can't prove it by the women. During a teaching career of more than 30 years taught the fundamentals of the sport to more than 1,200 boys including Bill Schwange, Bob Delashmutt, John and Millard Lang, Johnny Sherry,

Topsy Hartung and Alec Sparra, who all became top flight professionals. Many of the sons of her former pupils are now playing with the champion Conway Batchelors juvenile team. Also coached basketball, baseball and track and from 1923 till 1934 was goalkeeper for Baltimore Women's Field Hockey team. Frequent all-city choice. Has played in eight sectional tournaments and one National game in Boston.

BILL JEFFREY. Played semi-pro in Scotland before coming to U.S. in 1920. Played for Altoona, Homestead, Braddock and Bethlehem. While acting as player-manager for Altoona in 1925 took his team to Penn State College and there offered job as coach. His teams have set remarkable records including 13 unbeaten seasons, nine unbeaten teams in a row which included a winning streak of 65 games. Last year was given National Coaches Honor Award and a few months later named as coach to U.S. World Cup team which defeated England in Brazil. His teams have played in two bowl games on New Year's Day in St. Louis. During past season, on three day's notice, at behest of State Dept., flew his team to Iran for three-game series.

JAMES McGUIRE. Scottish schoolboy international. Playing with Brooklyn Wanderers when signed with the then touring Glasgow Celtic in 1931. Played two years in Scotland and five with Northampton in English League. Returned here and captained St. Mary's Celtic to National Open title. Also captained many other U.S. and American League teams. Has been president of American League since 1946. Elected second vice president of U.S.S.F.A. in 1948 and first vice president in 1950. In cycle of events should be president in 1952.

JOHN McGUIRE. Played professional for St. Johnstone and Dundee United in Scotland and later with Barnsley of English League. Emigrated to Canada in 1919 and played for Toronto Ulster United and represented Canada in several all-star games. Came to U.S. in 1922 and played for Todd Shipyard, New Bedford, Paterson and Brooklyn Wanderers. Has two National Cup medals won with Todd in 1921 and 1923 while with Paterson. Also one runner-up medal with Todd in 1922. Played for U.S. against Canada in 1926.

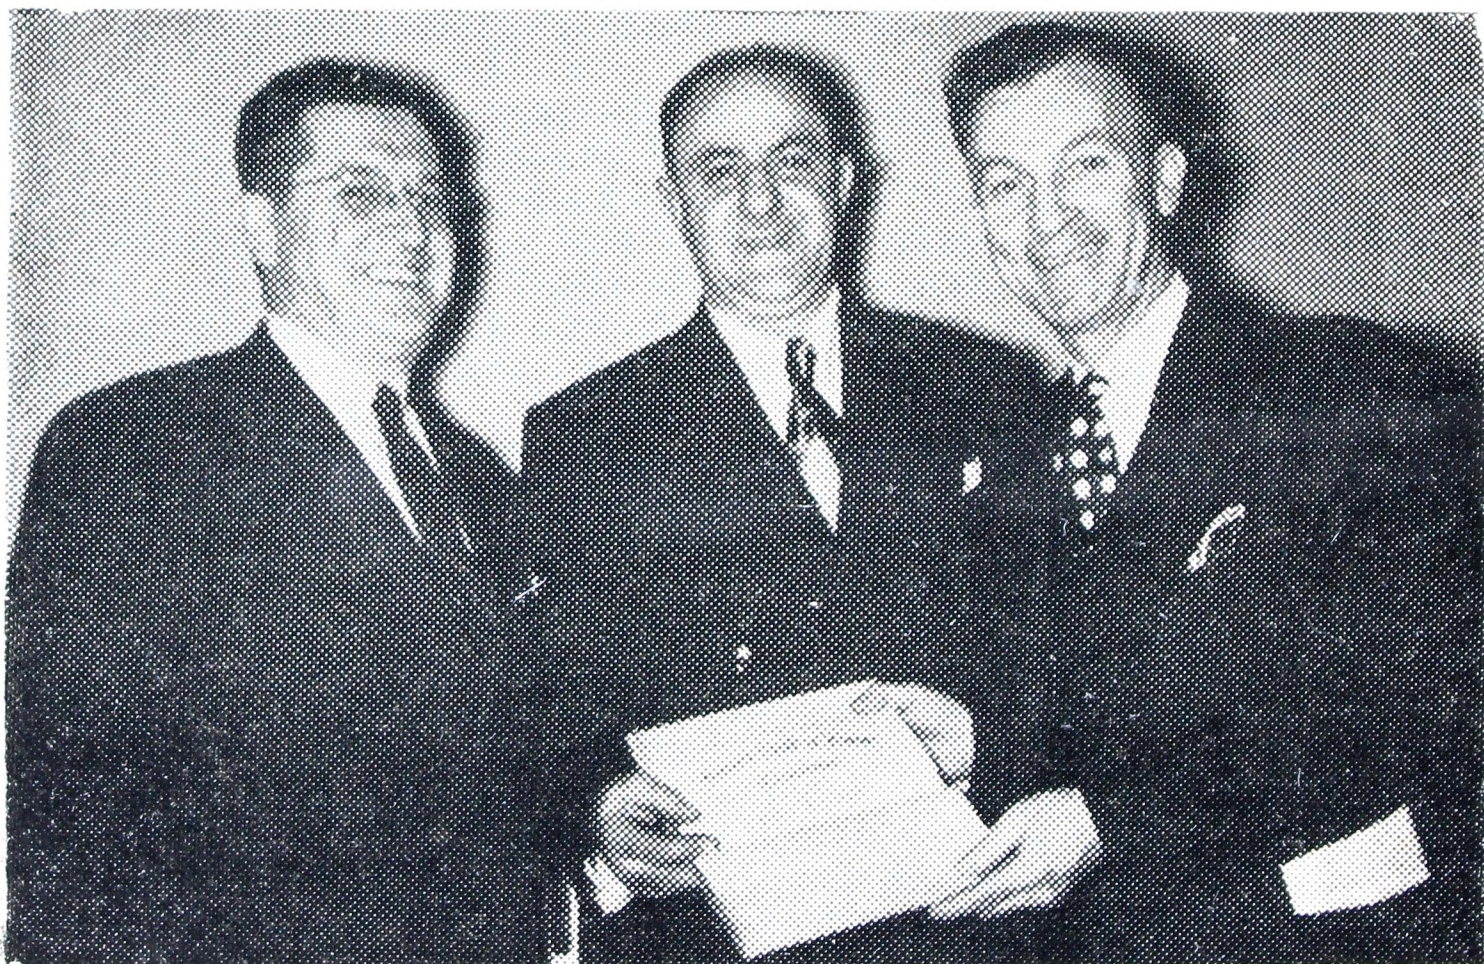

DENT McSKIMMING. Born in St. Louis and raised within stone throw of Athletic Park, home of the Mound City's first successful professional league. Later played in the Municipal League. Residences in Buenos Aires, Havana, Mexico City and Montevideo developed an early appreciation for the merits of the sport. Has been writing soccer for the St. Louis Post Dispatch since 1922. Representing his paper was the only United States staff writer covering the World Cup elimination games in Mexico City in 1949 and the World Cup Tournament in Rio de Janeiro in 1950.

ROBERT MORRISON. Scottish junior international against England in 1910. Came to U.S. the same year and played for the American Cup winner, Tacony. Joined the great Bethlehem team in 1913 and added another American Cup medal along with three National Challenge Cup championship tokens in 1915, 1916 and 1918. Suffered a knee injury while playing in Chicago which terminated his playing days.

PETER J. PEEL. Born in Dublin, Ireland, and carried the soccer bug across the ocean when he came to visit the Chicago World's Fair in 1893 and stayed here. Outstanding soccer, rugby, cricket and tennis player in the Windy City. Soon elected president of the Illinois State Association and in

1909 donated the oldest booting trophy in the country. First used as a fund raiser for injured players it is now emblematic of Illinois State championship and has attracted as many as 86 entries. During first World War travelled the country with a team of Belgium soldiers to raise funds for war organizations. In 1924 as president of U.S.S.F.A. was in charge of the U.S. Olympic team which played in Paris and later in England, Germany, Ireland, Poland and Switzerland. Has been the subject in many National magazine articles. Was also president of the parent body in 1918 and 1919. Now at the age of 78 is still an active member of the Illinois Commission.

PETER RENZULLI. Native born and played goalkeeper for Federal Shipyard, I.R.T., Robbins Drydock, Todd Shipyard, Paterson, Indiana Flooring, New York Nationals and New York Giants. Won three National Challenge Cup medals and four with runners-up along with two American Cup and New York and New Jersey State in addition to many more league and cup championship medals. Proud to be the only keeper to shut out a Scottish first division team when Kilmarnock was defeated 1-0 in 1930. Now the sparkplug in U.S. junior promotion and chairman of the New York State Juniors, Eastern chairman National Junior Cup and U.S.S.F.A. Junior Committees and member parent body's committee to confer with National State Federation of High Schools which controls the athletic activities in more than 18,000 high schools throughout the country. For 13 years has promoted

the annual dinner and awards to the all-scholastic teams of New York City and Nassau and Rockland Counties. A pioneer and founder of the National Junior Cup. An official in the Public Schools Athletic League for 25 years. **ELMER SCHROEDER.** Manager of Philadelphia Americans when they captured the National Challenge Cup in 1936, National Amateur Cup in 1933 and 1934, American League pennant in 1935, 1942, 1944, 1947 and 1948, Lewis Cup in 1941 and 1943. Was President of the U.S.S.F.A. in 1933 and 1934 after serving as vice president from 1927. President American League from 1939 till 1942. Managed U.S. World Cup team to Italy in 1934, Olympic team to Berlin in 1936 and National team to Mexico City in 1937.

DICK SPALDING. Played with Kensington, Victor, Disston and Bethlehem teams and was considered the greatest native product as fullback. HONOR AWARD

Presentation Speech by Asst. Professor Lawrence E. Briggs, Univ. of Mass.

It seems to me one of the best moments in our National Soccer Coaches Association meeting is this period when we cease our discussion of technicalities, of winners and losers, of interpretations of rules to pay respect to a human being. Such an act seems very much in keeping with the fellowship of our annual meeting. It is one of those things which sends us into a twilight of sentimental memories.

George Douglas Ritchie, the choice for the seventh annual Honor Award of the National Soccer Coaches Association of America is a native of Bradford, Mass. He is a graduate of the Haverhill school system and Springfield College, 1927, and holds a Master of Education degree from his Alma Mater. Except for one year as the Physical Director in the Lincoln Junior High School of Meridan, Conn., he has spent his entire career in the Connecticut Valley coaching at Wethersfield High School. Since 1948 he has been principal of the school.

He excelled as a high school player in football, basketball and baseball. In college he participated in Intramural and Interclass athletic activities of all types. His athletic interest remained intense in the years following his active participation, but it has been at Wethersfield High School that

George Ritchie (center) winner of the 1950 Honor Award presented by the National Coaches Association receives congratulations from Bruce Munro of Harvard, new president of the group, as Larry Briggs, coach at the University of Massachusetts and chairman of the Awards Committee looks on.

he has made his contribution to schoolboy and college soccer.

During his coaching years his teams have established the following records: Soccer, 131 wins, 40 ties, 40 losses. Basketball 174 wins, 149 losses; Baseball 135 wins, 89 losses. His teams have won 7 soccer and 6 baseball championships in the Central Valley League. In soccer for 18 out of 19 years his teams have finished first or second in the league. In that length of time over 1,200 boys have played under guidance on his varsity teams alone. Many of these youngsters have gone on to play Intercollegiate soccer and some have attained New England and All-American ratings. Seventy-five percent of his boy enrollment participates in Intramural Leagues.

He is a pioneer in the field of soccer and is founder of the Central Valley League of which he is a past president. A further tribute is the fact that he is one of the first of our college graduates to referee and he is currently the New England Soccer Officials representative to the Officials Committee of the New England Intercollegiate Soccer League.

In our association he has served as a vice president for three years, secretary-treasurer for one year, and a member of the following committees over the past decade: Annual Meeting, Finance and Honor Award.

These are a few faces of the polished gem. His selection for the 1950 Award come from his active years of maintaining high standards in athletics as a coach, official and school administrator. Were I to attempt an expression of his philosophy I would say, "It is better to build boys than to mend men."

PROFESSIONALISM OR SHAMATEURISM?

(In October 1950 the New York State Association named its officers as a committee to investigate the facual status of professional and amateur players within its jurisdiction and endeavor to discover the reasons for the so-called shamateurim. The committee was to make a report and recommend methods for the eradication of abuses.

The recommendations came before the U.S.S.F.A. annual convention in Los Angeles when it was decided to send the report to all State Associations for study and further discussions were carded for the 1952 annual convention to be held in Baltimore.

The U.S.S.F.A. is on record that the team which will go to Finland for the 1952 Olympics must be above suspicion of professionalism. Star amateurs who travel considerable distances to their Sunday chores will be investigated before being named to the team.

As a result of the furore several star amateur perfomers in the New York area have recently been profesionalised. Ed.)

In May 1951 the following report was brought to the floor of the New York State Association.

"When the committee first met there were wholesale charges of professionalism being rampant in amateur clubs. It was agreed that no effort would be made, at first, to insist on the creation of new professionals in large batches, but rather attempt to find the reasons which were causing an extremely unhealthy situation.

The International Federation leaves it entirely to each National Association to define amateurism and the U.S.S.F.A. rules on the subject are specific. "An amateur player receiving remuneration or considerations of any sort above the necessary hotel and travelling expenses actually paid . . . shall be a professional. Training expenses, when not paid by the players themselves, will be considered as remuneration beyond the necessary travelling expenses. He must not accept money for loss of (work) time."

Approximately 50 reputedly amateur clubs representing more than 100 teams were invited to be interviewed and answer a questionnaire. The answers were quite frank.

The questions asked were:

1. Does your club require first, second and other team players to be dues paying members?
2. Do you supply complete playing equipment for your players?
- 3. Do you allow expenses to be paid? If so, how much?
4. What is the policy concerning gifts to players after the games or at holiday seasons?
5. Are you aware of any of your supporters paying players or giving fees for goals scored?
6. Are pools established by the club for distribution at the end of the season?
7. What recommendations do you make for remedying the situation?

Some observations as to club policy prevalent among our member organizations are:

1. Over 95% of the clubs do not require members of the first team to be dues-paying members and complete playing outfits are furnished by the club.
2. Lower team members are, as a rule, required to be dues-paying members.
3. Players are reimbursed for expenses.
4. Some players receive allowances in amounts that are beyond any conception of amateurism. Application of the U.S.F.A. rule means that the recipients would be considered as professionals.
5. A number, not in the majority, gave gifts to players, split pools at the end of the season and had supporters who paid players.
6. A case of fees being paid for the transfer of amateur players, from one club to another, was uncovered.

These practices have grown throughout the years as a matter of survival in order to field a presentable team. Clubs with enclosed fields are not always the greatest offenders. Explanations were that a good team had to be fielded to keep the club's financial status balanced.

Basically however it must be stated that clubs no longer think in amateur terms but have acquired, by custom, a professional attitude. Smaller clubs have also felt the impact to a point where it is questionable as to whether amateurism can survive on a club level.

The recommendations and future operations are of paramount importance as there is no question that the present situation is unhealthy. Incidentally the committee does not feel that this State is alone in the predicament but that the evil is widespread.

The New York State Association recommends the following to the U.S.S.F.A. convention:

1. Each club must definitely choose between professionalism and amateurism.
2. a Adoption of an amateur form which will include:
 - (1) A statement signed by the player and a club official as to the amount of itemised expenses paid.
 - (2) A statement signed by the player that he is not receiving reimbursement from any source other than the expenses listed by the club.
- b Since professional soccer in the U. S. does not pay enough to be the sole source of income, a new semi-professional form be established, eliminating the player from amateurism. To be signed on a seasonal basis and confined to players receiving less than \$15 per game (Players to become free agents after June 30 same as amateur players).
3. Present professional forms to be continued for players receiving more than \$15 per game (Players retained by club at end of season).

It is believed that with the adoption of these registration changes objections by players to be tied down as professionals will be overcome.

1951-52 RULE CHANGES

By **BILL GRAHAM**

The International Football Association at its meeting on June 9th 1951 at Portrush, Northern Ireland, made alterations in Rules 4 and 12 of the Laws of the Game. According to Article 9 of the Statutes of the International Football Association Board these alterations come into force as of July 25th 1951 and must be applied in full by all National Associations in membership.

U.S.S.F.A. Rule 46 "The Laws of the Game as promulgated by the Federation de Football Association shall come into force at the beginning of the season next ensuing."

The change in Law 12 which deals with obstruction may be found, in bold type, in Law 12, Section 2 (3) in the Laws of the Game at the back of the book states:

"When not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstruction to an opponent".

The punishment for an infringement is the award of an indirect free-kick to be taken by the opposing side from the place where the infringement occurred.

The Law is definitely aimed at a type of play prevalent throughout the world particularly in Continental Europe and South America where obstruction has become a major part of the play and has been reduced to a science.

In the most frequent types of obstruction it is now an offense to:

1. Without attempting to play the ball for a defender to place himself deliberately between an opponent and his own goalkeeper to allow the goalkeeper time to make his clearance.
2. Without attempting to play the ball for a player to place himself deliberately between an opponent and the ball in order to allow the ball to pass out of play.
3. Without attempting to play the ball interposing the body to cause an obstruction to an opponent who has pushed the ball ahead or around a defender and the latter hampers or stops his opponent's progress.

Advices say that some National Associations agreed only to go along with the law change on condition that next year the punishment would be a direct free kick from which a goal may be scored direct. As most of the obstructing play takes place in or near the penalty area this change in the ruling next year would bring the award of a penalty kick if the offence occurred within the penalty area.

The change in Rule 4 deals with shoe studs and the alterations states: "neither bars nor studs on the soles or heels shall project more than three quarters of an inch. Other than the small metal seating for the screw type of stud, no metal plate, even though covered with leather or rubber shall be worn.

INTERNATIONAL REFEREES' COMMITTEE

FIRST QUESTION

The goalkeeper is beaten by a shot, but before the ball can cross the goal-line, a spectator leaps on the playing field and tries on the goal-line to stop the ball, but fails, the ball rolling over his foot into the net. Does the referee (a) drop the ball where the spectator tried to stop the ball, or (b) allow the goal.

Victor Rae, former president of the London Society of Referees, answered the question as follows: If the goalkeeper is beaten and a spectator leaps on the playing field and tries on the goal-line to stop the ball, but the ball is rolling slowly into the net, the answer can only be that it is a goal. In a case like this, one treats the person who had interfered as part of the field of play in the same manner as if the ball had touched the referee or a dog. If in this case, the ball had gone behind, the referee would have ordered a goal-kick or a corner kick, remembering whether the ball had been played by a defender or an attacker before it was touched by the spectator.

BY THE COMMITTEE. The referee must award a goal.

SECOND QUESTION

A fullback takes a goal-kick. The ball passes beyond the penalty area but is blown back by a strong wind. The fullback who took the kick handles the ball. Does the referee (a) award a penalty kick for handling the ball, or (b) award an indirect free-kick for playing the ball twice.

BY THE COMMITTEE. The referee must award a penalty kick.

THIRD QUESTION

A goalkeeper takes a goal-kick. The ball passes beyond the penalty area but is blown back by a strong wind. The goalkeeper tries to stop the ball from entering his own goal. He touches the ball but fails to prevent it going over the goal-line.

Does the referee (a) award an indirect free-kick against the goalkeeper for having played the ball twice, or (b) award a goal.

BY THE COMMITTEE. The referee must award an indirect free-kick.

AMERICAN LEAGUE TO ISRAEL

As this book goes to press an American League all-star team was due to fly October 10 from Idlewild Airport in New York to Israel via London, Paris, Rome, Athens to Tel-Aviv for a three game series. Invitations to play stop-over games in Greece and Turkey will be at the discretion of Manager Jack Flamhaft of Hakoah and League Directors William Walker of Philadelphia Americans and John Hogan of Irish-Americans who are to accompany the team.

The Schaefer Brewing Co. will donate an annual International Cup for competition between the U. S. and Israel.

Duncan McPhail, Bill Stark and John Devlin of the Irish-Americans, John Donald, capt; and Artie Shepell of Kearny Scots, Otto Decker and Johnny Bolous of Hakoah, Erwin Finsterwald and Sol Eisner of New York Americans, John Hughes and Bob Gormley of Philadelphia Americans; Tom Oliver, Len Owen and Walter Bahr of Philadelphia Nationals, and John Agnew of Brooklyn Hispano.

NATIONAL CHALLENGE CUP

A solid silver trophy, with suitable engravings, emblematical of a soccer football, with a player mounted on top and surmounted on a pedestal formed by four Corinthian pillars, standing, in all, thirty-three inches high. It was manufactured by Read and Barton of New York City and is often exhibited as an outstanding example of the silversmith's art. The trophy is competed for annually as the National Challenge Cup, is emblematic of United States Open championship and is held by the winning team for one year under \$2,000 bond to assure its safe and undamaged return.

The competition is open to all professional and amateur teams in the United States.

In season 1912-13, the trophy having been presented to the American Amateur Foot Ball Association, was offered for amateur competition only and was won by the Yonkers F.C., which defeated the Hollywood Inn F.C. of Yonkers 3-0 at Lennox Oval in New York City.

On formation of the United States Foot Ball Association in 1913, the trophy, with permission of the donor, became the property of the new organization and was offered in competition as the National Challenge Cup.

1950-51 COMPETITION

The drop from 112 entries in the 1949-50 competition to 98 the following season was caused by the drain of military requirements on younger teams which believed that they might not be able to finish the tournament. The winner, German-Hungarian S.C. of Brooklyn, N.Y., experienced a stormy passage in winning the diadem. In the first round proper four games were necessary before Brookhattan F.C. was finally defeated. In the Eastern final, three games were played against the Philadelphia Nationals. In the grand final extra time of two 15-minute periods had to be played before Heidelberg S.C. of Western Pennsylvania was vanquished by a two-game score of eight goals to six. The trophy has now been won 26 times by Eastern combinations as against 10 by Western teams. There was no champion in 1940.

NATIONAL AMATEUR CUP

Entries for the National Challenge Cup had increased so rapidly that in season 1922-23 it was decided to organize the National Amateur Challenge Cup in order to permit the amateur player to earn National honors in his own right.

The trophy, competed for annually, is held by the winning team for one year under \$500 bond to assure its safe and undamaged return. In the year of its inception, inclement weather prevented the competition being carried to a conclusion. In the East, Fleisher Yarn and Foxbury F. C. were the divisional finalists and in the West, Jeanette F. C. and the Swedish-American A.A. were the finalists.

1950-51 COMPETITION

As in the Challenge Cup, entries in the Amateur Cup showed a decline from 142 to 116 attributable to the fact that many managers believed that their teams would be unable to complete the tournament because of military requiremnets. Ponta Delgada S.C. of Fall River, five times winner of the silverware, was defeated in the early rounds and German-Hungarian S.C. of Brooklyn emerged as the new Eastern champion while in the Western division, Harmarville F.C. of Western Pennsylvania, and a finalist last year,, became the champion. In the final game in New York the Brooklyn team, in extra periods, annexed the crown.

AMERICAN LEAGUE—By Bill Graham

Philadelphia Nationals, for the third successive season, won the Schroeder Cup emblem of loop championship, and for good measure dispossessed the defending New York Americans and added the Lewis Cup to their sideboard. Jumping into the lead as early as Christmas the Quakers held the leadership for the remainder of the season with the Kearny Scots snapping at their heels throughout the entire journey.

In the Lewis Cup, Hakoah, after four games, finished on top of the heap and the Nationals nosed out their neighbors, Philadelphia Americans, on goal average for the second slot. In the home-and-home total-goals final Hakoah held a goal advantage earned in New York in the first game but the Nats won the second bout with plenty to spare.

In the National Challenge Cup the Nationals also gained the Eastern Division final but lost a three-game series to the German-Hungarian S.C. of Brooklyn.

The league had one of its most successful seasons in the promotion of foreign team tours. Glasgow Celtic was invited to make the trip and as an encore to its 1931 visit won the Scottish Challenge Cup before embarking on the Queen Mary under the management of Jimmy McGrory, world's record goal scorer when piloting the Green and White Brigade attack.

The invaders opened the jaunt against the league all-star combination and won 5-1. Tops in promotion was the matching of the Celtic against the Canada-touring Fulham F.C. of the English League in New York, Toronto and Montreal with another game against the Eintracht S.C. of Germany in New York. Other games were played in Detroit, Kearny and Philadelphia. The visitors won seven, lost one and tied one while stacking up 27 goals against 9.

The Most Valuable Player Award went to John Donald of the Kearny Scots. Donald, a native of Aberdeen, Scotland, and a comparative newcomer to the league topped the ballot for his fine defensive play and an outstanding display of team spirit. He formerly played for Peterhead and later with Raith Rovers, a major leaguer. Walter Bahr, Philadelphia Nationals and

U.S. halfback, finished, for the third straight year, in the runner-up position.

In the new season, believing they are following the dictates of the fans, the managements of the New York clubs have deserted the cramped, dust-ridden Sterling Oval and Hawthorne Field for pastures new. League and cup games, with weekly double-headers, will be played on two of the finest grass carpeted pitches in New York City, Randalls Island and Croke Park, where the fans will have the comfort facilities afforded in other sports. Games at the former stadium will be played in September and October and at Croke Park from November till next March when, if necessary, the plays will return to Randalls Island for the remainder of the season. Philadelphia Americans will move from Holmes Stadium to Lighthouse Field.

Trenton Americans, having lost their pitch, were granted permission to withdraw from the schedule limiting the circuit to eight clubs.

A New England Division of the league was formed with Cambridge Recs, Fall River, Ludlow Lusitania, New Bedford, Ponta Delgada and Scandia of Hartford, Conn. If plans reach fruition a playoff system between the divisional champions is in the offing.

At the annual meeting Jimmy McGuire was again elected top man, a position held since 1946. Erno Schwarcz, Frank Jenkinson and Emil Schilling retained their offices as business manager, secretary and first vice president. Julius Alonso, Harry Robinson and Tommy Jerome are the other vice presidents. McGuire is also second vice president of the U.S.S.F.A. and a recent electee to the Hall of Fame. In the ordinary cycle of events he will be president of the parent body next year.

Nick Kropfelder of the Nationals, for the second time in his career, again topped the loop marksmen with Benny McLaughlin, Bobby Roberts and Lloyd Monsen bunched behind.

Larger crowds, better playing pitch for First Division games and keen competition between the teams featured a highly successful season which ended with San Francisco A.C. capturing the triple crown, the North California Cup, City Cup and the loop pennant. Finishing in a tie for the bottom rung of the First Division standings, Verdi defeated Olympic in the playoff and as a result the latter will drop to the lower bracket and be replaced with the Second Division winner, Hakoah A.C.

July was the highlight of the season. Then soccer's royal family, U.S.S.F.A. President Netto with his family and many of the delegates to the annual convention held in Los Angeles paid us a visit which was sparked by a league dinner to the guests.

A Mexican group led by Manuel Ceballos, sponsored 2 games by Mexican teams, the Guadalajara and the Leon team of Jalisco. Both games ended in ties, the first and better display was staged during the U.S.S.F.A. convention in Los Angeles, finished 2-2, and the second, on July 22, in San Francisco, ended 1-1. More than 10,000 witnessed the displays. Dr. Manning, International Federation representative, started the play in Los Angeles while here Mayor Elmer Robinson's representative, Dave Lewis, set the game in motion. At half-time, C. E. Pinnell, president of the Canadian Association was introduced to the crowd.

The new season will open at the end of September with eight teams in the First Division and 12 in the Second Division. Newcomers are, Swiss A.C., Nicaragua A.C., winner of the Alliance title, and the newly formed Azteca of Watsonville.

According to preliminary reports a San Francisco all-star team has been invited to play in Chicago, St. Louis and Detroit during Thanksgiving week. Return games are scheduled to be played here early in the New Year.

COLORADO

COLORADO STATE ASSOCIATION—By Al Smith, Secretary

Standard of play and spectator interest has increased. Perhaps the greatest factor in improvement was the obtaining of City Park Racetrack for games which are now staged in attractive and agreeable surroundings.

School of Mines, for the second successive season, was undefeated and won both the Rocky Mountain and the Spalding Cup championships. More than 50% of the games played during the season were decided by a single goal.

Colorado College and Colorado A.&M., Heinsohn and Denver Turners are newcomers to the league and all performed creditably. Having lost several of its players to the armed services Colorado Glass was forced to temporarily disband much to the disappointment of its veteran coach, John Allen.

The Association lost a valuable member when John H. Love, associated with Denver booting for more than 30 years, died in May. To perpetuate his memory a John H. Love Memorial Trophy will be put in competition next season.

Owing to the vagaries of the climate the season is split in two halves; October thru December and January thru April. All games are played at a mile-high altitude and consist of two 35-minute halves.

The name of the association was changed in May from that of the Denver & District Association. During its 15 months of existence the Denver Association doubled its membership from four to eight teams and has introduced the sport to Fort Collins, 60 miles north of Denver, and Colorado Springs, 85 miles to the south.

Our special delegate and advisor, Michael Cares, is the former treasurer of the New York State Association.

The State Cup was won by Hartford Scandia, who defeated the Bridgeport Swedish by 10-6 in three games. The Protective Cup, revived for the first time in five years, was confined to teams of the B Division of the National League and the State Amateur League. In a two-game final Wetherfield defeated Stamford 5-3.

Vasco da Gama, which won the National League A Division championship, was the only State entry in the National Challenge and National Amateur Cups. In the former competition the homesters were eliminated 3-0 by Brookhattan. In the simon pure tournament, Calabria Fortitudo, Danish A.C., and Utica All-Stars were defeated in the first three rounds but in the fourth stanza, Gjoa S.C. of Brooklyn won 3-2 after being in front 2-0 at half-time. The loop champion was sidetracked by Bridgeport Swedish in the semi-final of the State Cup.

After being idle the previous season the Amateur League made a strong comeback with new teams from Greenport and New Haven.

STATE PEEL CUP—Final. Eagles 4 Sparta 0

NATIONAL LEAGUE

The 1950 season was marked by the outright superiority of the Chicago Eagles, who gained both the Major Division title and the State championship in convincing fashion. The winners breasted the tape four points ahead of the Slovaks in the loop race and defeated Sparta 4-0 in the final game of the State Peel Cup.

In the First Division North, the Ukrainian Lions proved to be the only team in the senior divisions to remain undefeated and won the title in their first year of competition. The club is composed of recent arrivals from "Across The Pond." The Lions also won the First Division playoff by topping Hakoah Center, South Side winner, by 3-2. Both teams earned promotion to the Major Division with Swedish-Americans and Milwaukee Tigers dropping to the lower bracket.

In the Junior Division, Sparta won the South Side title and Hansa captured the honors in the North bracket. Sparta gained the championship by winning the playoff 3-1.

The Juvenile Division saw Hansa move out in front by winning all its six games scoring 28 goals against two.

Officers for the 1950 season, which opened in April and concluded in November, remained the same as in the three previous years: William Hemmings, president; Nels Dahlquist, vice president and George E. Fishwick, secretary-treasurer. Other executive board members are, Hans Janich, Abe Korsower, Joe Wagner and Frank Kracher.

INDOOR SEASON

With 17 clubs in affiliation the second annual Indoor League seven-a-side was divided into two divisions.

Rules were also established which provided that the two leading teams in the First Division would be promoted to the Major Division replacing the two bottom teams in the top bracket.

Again the Eagles proved their right to the title of State champions, but only by a narrow margin over the much improved Slovaks.

In the First Division the Falcons, a group of recent Polish D.P.'s took the opposition in their stride and finished with a perfect record. Three teams, Maroons, Wisla and Lions, battled for second place with Maroons squeezing through on goal average. The second slot position was decided in the last few seconds of the Falcons and Wisla game. A Wisla defender miskicked the ball through his own goal to give Falcon a 1-0 victory and with the defeat went Wisla's chance of the runner-up slot.

Games were played on a 65 by 42 yards pitch. Play was off the sideboards. Eight games of 25-minute duration, in two halves, were played every Sunday.

The 1950-51 season was almost a repetition of the previous year with most of the winners repeating.

The Baltimore Major League was spotlighted by the keen rivalry between Pompei and Parkville. Due to fewer teams competing three rounds of the schedule were played and of these Pompei won two and Parkville one.

The Dept. of Recreation League also had a repeater although under a different name. Roots S.C. last year played under the Serra S.C.

Pompei Juveniles captured all the laurels in this division winning the loop pennant, the State title and the Stubbins Cup. Conway Batchelors and Towson were the closest competitors.

Going further in National competitions than any other Maryland team in recent years the Pompei added the State Open and Amateur championships to the circuit pennant. They were defeated by German-Hungarian of Brooklyn in the Eastern final in the Amateur Cup.

Millard Lang

Around the State form ran true except on the Eastern Shore, where Federalsburg caused an upset by trouncing the highly favored Ridgely and Denton. Charles County won the Washington and Suburban League and Williamsport gained the honors again in the Washington County League while Chesapeake City again defeated Elkton for the title.

For some reasons things did not run as smoothly as in former years and this may be due to the uneven number of teams but the standard of competition was high.

President, William Welch; **Vice Presidents**, Allan McClay and Ronald Tee; **Secretary**, Thos Doherty; **Treasurer**, S.T.N. Foulds; **Delegates**, John Cabral, Thomas McDonald and A. Conaghan.

STATE CUP WINNER—Lusitania Recreation F.C. of Cambridge.

BOSTON & DISTRICT LEAGUE

President, Manuel Souza; **Vice President**, S.T.N. Foulds; **Treasurer**, Allan McClay; **Secretary**, William Welch.

LEAGUE WINNER—Lusitania Recreation F.C. of Cambridge.

BOSTON & DISTRICT ALL-STARS

Lusitania Recreation and Pine Ramblers each have three players on the first team. Johnny Anderson, soccer coach at Boston University, and Andrew Guyda, 1936 Olympian and freshman coach at Harvard University, are among the stars listed.

Pal Foulds, Boston University star of last season and Andrew Knight, all-scholastic performer of Revere High School, are newcomers to the semi-pro ranks. Both were standouts in National Junior competition before advancing to senior ranks.

Bill Ferrie of Worcester Scandinavians, last year's winner of the MVP award, is again on the first team after beating out Jim Harcus of Clan Sutherland. Edward McMahon, goal getter for the Recreations, is one of the best players ever developed in Lynn.

Austin Whillier, named on the second string is a native South African and is attending the M.I.T. Graduate School. He is also an outstanding rugby player.

It is an indication of the part native born players are now playing in the sport. On the first team nine of those selected are native born.

MAJOR LEAGUE

Officers, temporarily, same as Commission.

The Commission was reorganized in January and the season was changed to conform to the current year. The First Division is made up of four teams with a promise of two additional strong members in the Fall.

The Second Division teams got off to a late start and played exhibition games during the first half of the schedule.

A few clubs, preferring to play outside the authority of the Commission have been suspended, but it is hoped that before the start of the new season, next January, that all clubs in this area will be under one banner.

YOUTH MOVEMENT

Much progress has been made this year and have interested the famous Cranbrook School. The Y.M.C.A. have organized for the promotion of the game with a start in early Summer.

The promotion of this committee is limited only by the number of volunteer managers and coaches and more are needed. The Olympics are coached and managed by Miss Vivian Belkin, a teacher from King School, and many other women teachers have expressed interest in the project. Equipment funds for the promotion are raised by a field day and later an indoor party.

Although they were clearly defeated in the U.S. Open Cup game, 3-1, by Simpkins, the Zenthoeffers proved the better team in the long haul.

Financially, as well as in National Cup play the Major League suffered a bad season. It is estimated that \$3,000 was dropped, largely because of the high rental of Sportsman's Park owned by the St. Louis Browns Baseball Club. Before the start of next season it is likely that the league will lease or buy its own park.

The season was remarkably free of injuries. As in the past, the two referee system was used, with no linesmen.

Failure of Simpkins, dethroned National champions, was a highlight.

The collapse was due most of all to the failure of the forwards to take advantage of scoring opportunities. As the standings show, the defense held the opposition to two goals a game but the forwards failed to produce the three-a-game necessary to win titles.

In view of the fact that three Simpkins players, Harry Desmuke, John Barrale and Bobby Annis, are in the army it may just as well that the team did not get past Sparta of Chicago in the Western semi-final as it is almost a certainty that a full team could not have been fielded in the Grand Final.

Either Zenthoefer or Simpkins, with reinforcements, should make a good attraction in the East. Such a team representing St. Louis, whipped Chicago's All-Stars, 6-2, earlier in the season.

In the only game against a foreign touring aggregation Zenthoefer trimmed the Eintracht S.C. of Frankfurt, Germany 2-1. This was the only defeat inflicted on the invaders during their eight-game tour.

The treasurer reported that in spite of the income, which included \$1030 from foreign team games in this area, expenses for the season were high due to the sending of delegates to the U.S.S.F.A. annual convention in Los Angeles. The bank balance was \$2,579, a decline of \$590 from a year ago.

Herman Meyn, registrar of the Association, reported a player registration of 3,429, a decline from the 3,665 registered the previous season. The loss of 236 registrations is fully accounted for by enlistments in the armed services. The figures do not include the four New York American League teams, nor Elizabeth, Hoboken, Newark and Passaic of the German-American League, West New York of the Eastern District League and Paterson Dovers of the National League. The latter six clubs are playing in New York leagues but the players for these clubs are registered in New Jersey.

The + or — sign after each league denoted its gain or loss from the previous season.

EASTERN DISTRICT LEAGUE—By Dr. Eric Stoerger

Dr. Stoerger

The story of the E.D.S.L. for the 1950-51 season is a climax to a story covering many years. It is, primarily, of two men who, since their league joined organized soccer, always gave of their best.

League President Ludolph Heidecker, who also manages to double as a most capable and respected Vice President of the N.Y.S.S.F.A., and jovial Edwin Lowenstein, who handles the schedules and "what-have-you", certainly comprise a team which need not take a back seat even to their illustrious predecessor, the late League President Teddy Weissenstein.

These two soccer pioneers, as if to lend emphasis to their now prevailing stature, are highly respected well beyond the confines of their league. Only recently, Edwin Lowenstein was presented a trophy by the New York Junior Competition for "outstanding services rendered on behalf of junior soccer." Ludolph Heidecker, at this writing, appears to be under serious consideration for the highest office in New York State Soccer.

The efforts of these two soccer boosters over the years may best be adjudged from the league's minutes, reports, standings and, last but not least, bank book, which clearly reflects zealous, honest and business administration.

It is reasonable to assume that this league ranks second nationally in number of player registrations, which furnishes ample evidence that these two executives have never once wavered in holding to the Weissenstein "Credo", namely to cultivate and hold the enthusiasm of as many of the soccer faithful as possible.

If, competitively speaking, the E.D.S.L. could not quite match the pace of former years, it certainly has not been the fault of these leaders.

The lure of semi-professionalism and the lack of progressiveness and enterprise by most club officials have gone a long way towards neutralizing the efforts of the league executive board. Such tireless workers deserve more cooperation and response by those who often find fault but accomplish so little. The positive accomplishments of Ludolph Heidecker and Edwin Lowenstein from 1939 through 1951 can never be wiped from E.D.S.L. history.

Following are the final statistics on the past season. Our sincere congratulations to the winners of the respective divisions and particularly we take great pride in noting that, almost to a man, the booters of the E.D.S.L. once again have excelled in demonstrating the ethical prerequisite of all sports, "Fair Play."

EMPIRE STATE JUNIOR LEAGUE

With plenty of players available from the soccer minded Lafayette, Fort Hamilton and Manual Training High Schools in Brooklyn, this once powerful league was confined to four teams last season because of the lack of managers. The number will, definitely, be increased during the new season by at least two clubs, one of which will be an entirely new unit.

GERMAN-AMERICAN LEAGUE, by Milt Miller, L.I. Press, L.I. Star

Milt Miller

The season 1950-51 will be a memorable one in many ways for the German-American League. Not the least of its pleasant memories will be the knowledge that one of its teams, the German-Hungarians, swept practically every top honor in the record while being crowned soccer champions of the United States and capturing the booting triple of the National Challenge Cup, the National Amateur Cup and the title in the German-American Soccer League Big Ten Division.

It will also be remembered that members of the G-A-L finally realized the circuit had attained its majority and the loop was now in the class of big business. The reports made at the annual meeting Aug. 11 and 12 at Schuetzen Park in North Bergen, N. J.,

assured the clubs that they were members of the most progressive and best organized circuit in the country.

The German-Hungarians, comprised of such stars as Louis Scott, John Flaherty, Melanka Ralich, Tom Aiello, Joe Krapf, Otto Wolf, John and Ed Souza, Andy and Steve Hritz, Fred Klomm, Billy Sturgess, Eddie Spletzer and Manny Horowitz, among others, gave every indication at the start of the season that it was headed for the top booting honors. Manager Nick Muller had assembled a combination of stars and the move paid off.

The Knitters first copped the Henry Webel Trophy for winning the Ridgewood Cup Tournament and then snared the Ernest Munzenmaier Cup for the Queens Tournament.

After dropping its initial league start to the defending championship Eintracht eleven, the Knitters hit upon a winning combination and carried through over a rocky road and through several cup ties before snaring the two national cups and then nosing out Swiss for the G-A crown.

The Greek-Americans waded through the Premier Division pennant race without a defeat to capture that flag by edging out Prospect Unity. A newcomer, the Lithuanians, walked away with the laurels in the "A" Division midway in the campaign.

The season will also be remembered as the one in which the league proved itself a tremendously successful promoter of foreign tours. When the Eintracht of Frankfurt team boarded a plane for home and all the accounts were settled, the report to the annual meeting revealed the league had a bank balance of more than \$43,000, tops for any booting circuit in the country and even more than the top governing body of the sport in the country.

The job of continuing the progressive efforts of the four-year tenure of Harry Kraus' administration will rest on the broad shoulders of August Steuer, a former head of the loop and its sole honorary president until Kraus was elected to a similar post Aug. 12, and an enlarged board of directors.

A major change will find the Big Ten enlarged to the Big Twelve by the addition of the Greek-Americans and Prospect Unity. The lower Premier Division will also be stepped up to include 14 teams instead of the dozen in 1950-51 through the addition of the Lithuanians, Brooklyn Wanderers, Schlesier and Calabria of New Rochelle. Each year the last two teams in the Big Twelve will be demoted and the top two elevens in the Premier Division promoted to take their place.

METROPOLITAN LEAGUE—By Tommy Mainwaring

The season has been rich in keen competition. In the Premier Division it was a close race for the pennant throughout the entire season and at the finish three points separated the first four teams. Sada and Bronx Scots both brested the tape together with 27 points each but the former won the playoff. Long Island Rangers lost a place in the playoffs by being headed off in the last game by Bronx Scots and finished third with 26 points. Staten Island Favorites finished in fourth slot with 24 points.

Brooklyn Wanderers, just up from the junior ranks, made a one-team race for the First Division flag. Pacemakers throughout the season the Wanderers finished three points ahead of Espana and Vesuviana collared third place two points behind.

In the Challenge Cup two strong teams, Sada and Long Island Rangers, cleared all the early hurdles to clash in the final round. Before Sada took possession of the silverware three games were necessary as the teams played 2-2 and 0-0 ties in the first two tilts.

The season was disappointing. Rivalry between managers and leadership by league officials left much to be desired. Early in the season Warren Club, disagreeing with a league decision, withdrew. This broke up the schedule and the Greek-Americans withdrew. This added to interruptions for various cup games, which were planned at the last minute, led to further complications. Forfeiture of games by Bartunek Clothes, Canton and Lorain German-Americans will lead to a tightening of the league laws.

All games were played in public parks and no co-operation was received from the City of Cleveland. The Board of Eduuation considers the sport too dangerous to be taught in the schools. This is surprising as some of the private schools field teams, particularly University School, which competes in an inter-State loop.

Bartunek travelled furthest in the National Challenge Cup but ultimately forfeited to Detroit. American Screw showed surprising strength in the National Amateur Cup but were finally stopped 2-1 by Detroit.

In the State Cup, Ukrainian advanced to the final along with Canton. The teams have split the first two games of the playoff. In the league, Bartunek, American Screw and Canton finished in a freakish three-way tie

while Youngstown captured the pennant in the International Division. Scoring honors throughout the season were held by Ralph Davies of Bartunek, John Uray of Youngstown and Alex Vafides of Canton.

The all-star game was held in Lorian this year. Play was better but the promotion a disappointment. The lineup included Joe Casal, James Fair, Mike Petrina, E. Peral, Manuel Gonzales, Manuel Parada, Ed Murphy, Louis Oleski, John Uray, Ramsay MacGregor, Henry McGratton and Malin Danilo.

PENNSYLVANIA-W

WESTERN PENNSYLVANIA S.A.—By Harry H. Fairfield

Harry H. Fairfield

Uncle Sam's pressing world affairs brought a marked decline in soccer activity in Western Pennsylvania in the 1950-51 season. The Westmoreland County League went overboard, though several of its clubs found berths elsewhere.

Clubs enrolled dropped from 52 to 40, including eight junior teams, and players registered dropped below 1000 for the first time since the end of the last war.

Nevertheless upwards of 580 games were played, excluding exhibitions, the total being swelled by the Allegheny Valley League's double schedule. Attendance and gate receipts, notably in the West Penn Senior Championship semi-finals and finals, also showed a marked decrease.

Despite these handicaps there was plenty of spirit throughout the season and in many respects the class of competition was higher and performances better.

For the third straight season Harmarville featured West Penn activity with a fine club which retained the West Penn championship for the third straight season and won its way to the grand final of the National Amateur championship, in which it was defeated by Brooklyn German-Hungarians, 4-3, in overtime in Brooklyn.

Harmarville also captured the Keystone League title after a strenuous campaign which included a three-way playoff with Heidelberg and Morgan, all having finished the regular scheduled tied for first place.

Heidelberg returned to some of its former glory which characterized its National Amateur championships in 1927 and 1929, as well as runner-up honors in 1926, 1934 and 1938, this season by winning through to the National Open finals. Here again, however, the Brooklyn German-Hungarians dashed West Penn's hope by turning back the Green and Gold Tornado, 6-2, in the second game at Brooklyn after being 4-2 down in the first game at Pittsburgh.

The result was a profound disappointment to West Penn fans, though until Heidelberg had reached the grand final, it was scarcely rated to advance so far.

West Penn followers were gratified to know that John F. Paige, the hard-working boss of the Washington County League and a forceful character in West Penn affairs, had been elected a vice-president of the U.S.S. F.A. at the July convention in Los Angeles.

RECORDS

WEST PENN SENIOR CHAMPIONSHIP—Finals—Harmarville 5, Heidelberg 1; Harmarville 2, Heidelberg 2; Harmarville 1, Heidelberg 2. Harmarville holds title for third straight season by total goals, 8 to 5.

Wm. Morrisette

In contrast with the preceding season, which had been a busy and successful one, the 1950-51 season in the Southern New England area saw a decline in the sport.

Whereas five leagues with a membership of 30 clubs were in operation last season, only two, with 24 clubs, were in operation during the 1950-51 season, the Fall River District League, a senior circuit, and the Southern New England Junior League.

A total of 13 clubs started with the Fall River League but only nine were still active at the end of the season. Starting out with five clubs the Junior circuit increased its membership to ten clubs in the second half of the season, but only six remained at the close of the season.

In addition, one club, Ponta Delgada, was active as an independent. The 1949-50 National Amateur champions, unable to obtain a franchise in the professional American League after the National League of New England had disbanded, decided to play independent rather than join the local loop.

Although the sport lost ground in the senior bracket, it made gains in the junior division. Much of the gain can be credited to the keen competition between Ponta Delgada Juniors, the Peaches of New Bedford and the Lincoln Juniors of Fall River.

Organized late in the season the Ponta Delgadas joined the junior circuit in the second half of the season, made great strides and climaxed the season by annexing the New England crown after defeating the Peaches. They lost to Elizabeth, N.J. in the Eastern final of the National Junior Cup after overtime but their meteoric rise from a ragged start to a team of championship caliber has done much in the promotion of junior soccer. Next season it is hoped to start a juvenile circuit. Those eligible to play will be boys who have never participated in the sport.

The new president of the Association, the youngest ever to hold the office, is the 24-year-old Alvarinho Mello, who is now serving with the armed forces in Japan.

A highlight at the close of the season in Fall River, always a graveyard for touring teams, saw the all-star combination defeat the A.I.K. of Stockholm Sweden, 2-1 on June 8 in the opening game of the jaunt.

The largest crowd ever to witness a game on a New Bedford pitch saw the local all-stars, June 17, defeat the French ship l'Aventure, 2-1. The winning lineup included Rose, Holden, Duarte, E. Olivera, Cabral,

Andrade, Almeida, Sylvia, Telesmanick, N. Oliveira, Thornber, McLeavy, Medeiros, Baptista and Fernandez. Markers were netted by Johnny Medeiros and Fred Thornber.

CHAMPIONSHIP COMPETITIONS

The major championship sponsored by the Association is a senior tourney, the George Ritchie Memorial Plaque, which was won by the Peaches and this returned the trophy to New Bedford, which last gained the honor in 1947-48 when Park Cash Market won the championship.

Because there were no teams in the category, a similar competition for teams with an age limit of 21 years, was not conducted.

The Fall River League was the only senior circuit to operate in the Southern New England area during the 1950-51 season.

When the New Bedford City League and the Rhode Island Inter-City League could not gather enough clubs to function, the Fall River League accepted all application from teams in both sections.

The League started with 18 clubs but inroads on player ranks by armed service demands, and other reasons reduced the roster to 10 clubs before the first round had been completed. One other club dropped out in the second stanza.

The pennant race soon narrowed down to four teams, Peaches, St. John's, Liberals and the B & B Nitteclub of Johnstown, R.I. Peaches breasted the tape first with St. John's and Liberals in the slots behind.

TEXAS

DALLAS ASSOCIATION—By Al Collins.

In the Senior division the Mulhousers won both the first and second part of the league schedule closely followed by the Chance Vought Aircraft. Two other teams, Alpine Sportswear and Jewish Community Center, also participated. The latter is composed of DP's and is expected to show greatly improved form next season. Texas A & M and University of Texas have teams for outside competition and the former twice defeated Chance Vought while the latter lost a game to Mulhouser.

It was unfortunate that the Ralph Mulhouser team, which was just about the best combination ever developed in Texas, was compelled to forfeit its National Amateur Club game against St. Louis.

In Dallas there are 30 junior teams and including intramurals involving more than 1,000 boys while girls to the number of 160 played clean spirited soccer and furnished a champion for the medals.

In San Antonio the sport has been revived with four senior and four junior teams. Good crowds with top quality soccer marked the revival.

The Chance Vought team of Dallas completed a 560-mile round trip and came back with the scalp of the Busy Bee Produce in San Antonio. A last-minute goal gave Dallas the victory. In the preliminary the University of Texas tied So'dana of San Antonio 2-2.

After one of the best games ever seen in Dallas the Kansas City All-Stars lost 3-1 to a local all-star combination.

The following is the junior summary for the season.

Dallas Juniors, (Boys) Stephen J. Hay School. (Girls) Henry W. Longfellow
Dallas Parks Dept. Pike Park

North Dallas Juniors, William B. Travis School

South Dallas Gra-Y Juniors, Ascher Silberstein and Thos. C. Hassell Schools
Inter-City, (Dallas-Fort Worth) Longfellow Jets (Dallas)

Most Valuable Player Award, Bobby Powell, Longfellow Jets.

The Catholic War Veterans operated a very successful league with nine teams in each of two divisions. The winning Cathedral team was coached by Brother O'Donnell of Christian Brothers of Ireland. At the end of the season the team played and won 4-1 over the Vancouver (B.C.) College. In the league playoff Cathedral defeated St. Joseph 2-1.

In our league playoff, Vikings, winner of the first half of the schedule defeated Seattle S.C. The same team also won the State Cup competition and the Northwest championship and the Pacific Coast Coal Cup. Sunny Jim Products won the George Washington Trophy.

EASTERN (IVY) INTERCOLLEGIATE LEAGUE

Army, winning five games and tying Cornell, dethroned the Ithacans as champions after a two-year reign. Cornell was also undefeated but placed second because it won only three games and tied two, the other with Yale.

The Cadets clinched the title by defeating Navy 4-3 and took possession, for one year, of the Nicky Bawlf Memorial Trophy, honoring Cornell's former coach. Other wins were recorded over Yale, Pennsylvania, Brown and Harvard.

Yale, winner of the New England League, placed third, Navy fourth, and Dartmouth fifth in the nine team circuit.

MIDDLE-ATLANTIC STATES CONFERENCE

By Robert H. Dunn, Swarthmore College, Chairman

Soccer interest and outstanding achievement were at a high level among the Conference members. Noteworthy and deserving of National recognition were the splendid records of the undefeated teams of West Chester, Temple University and Seton Hall. West Chester fielded one of the finest collegiate teams in the country and defeated Penn State and Baltimore University ending undefeated streaks of 24 and 19 respectively. Temple tied one and Seton Hall two.

Of the league members, two new champions were produced. Haverford was the winner of the Northeast title while Franklin and Marshall won the Southwest league. The playoff for the Conference Trophy was won by Haverford 2-0 in a tense game.

Among the divisional groups, Rutgers topped the Northern, Haverford the Eastern, Franklin and Marshall the Western and Washington, Delaware and Drexel were tied for the Southern.

Many fine individual scoring marks were made by a number of players. Linde of Drexel netted 17 goals in nine games, AlYasir of Swarthmore counted 15 times in eight starts, Nicolian of Rutgers scored 13 markers in nine games.

Twelve hat tricks were registered by Linde (3), AlYasir (2), Klinges of F.&M. Jones and Ritchie of Haverford, Place of Swarthmore, McElmoyl and Aspen of Gettysburg and Bower of Washington.

NEW ENGLAND LEAGUE

By John Y. Squires, University of Connecticut, Secretary

A young Yale team with a new coach, Jack Marshall, swung through seven league games undefeated and united to prove itself the class of

New England. Amherst, champion last year, won as many but was defeated by Wesleyan 4-2 to eliminate it from championship contention.

Dartmouth, Trinity and Springfield were the other top teams in the final standing through many a close contest was afforded by the other teams in the final standing.

Amherst center forward, Howard Burnett and Bill Cordes, Yale inside left, with nine goals apiece were the leading sharpshooters.

ALBERTA

ALBERTA FOOTBALL ASSOCIATION—By John Rimmer, Calgary Herald

The Association has jurisdiction over three committees at Calgary, Edmonton and Lethbridge. The sport is also played in Drumheller but is not affiliated.

Senior play is not flourishing at the moment. Previously the main supply of players were emigrants from the British Isle but the post war rush has subided and few new players have been developed.

This situation is being remedied and in the new season an Alberta Junior and Juvenile Association will operate for the first time as a separate body but along parallel lines to the senior competition.

VANCOUVER DISTRICT JR. & JUVENILE F.A., by W. A. Coleman

SECRETARY—W. A. Coleman, 105 W. 43rd Ave., Vancouver. FR 8858

COMMISSION—Ab Massey, chairman; Frank Ashdown, Art Hale, Ted Miles, Eric Bennett.

During the season we operated 62 clubs in the following classifications: Juniors, under 21; 1st Division, under 18; 2nd Division, under 16; 3rd Division, under 15; 4th Division, under 14; 5th Division, under 13; 6th Division under 12. We also operated a Red Feather Division of 18 clubs for teams from various social agencies.

In addition to the league we conduct a Mainland & Provincial Cup Tournament. In this we also have clubs from other B.C. districts and the Sunday School League which operates under our jurisdiction. In all 102 teams competed in the various competitions.

The only cup to be won outside our organization was the Mainland Sixth Division which was won by the Sunday School League. This was a fitting reward for Harold Witter who has been its secretary for 46 years.

Western Sports was sent to Alberta to defend, for the first time, the Dominion Junior Championship. The two-game series was won by the visitors by a corner in extra periods.

Business men usually sponsor our club and generous support come from the Vancouver Trades and Labor Council through its affiliate unions. The Pacific Coast League plays a special juvenile series around Easter. From these sources we raise a considerable bankroll. Operational costs, equipping indigent teams and paying referee's soon exhausts the treasury.

In a tour, without parallel in the annals of juvenile soccer, 16
Winnipeg Bantam League players, all under 15 years of age, travelled
3,500 miles and played in five American and Canadian cities in Oct. 1950.

Directed by Vince Leah, and a full year in the process of organization
and financing, the tour took in Detroit, Mich; Widsor and Toronto, Ont.;
Chicago and Joliet, Ill. The youthful participants with the assistance of
their parents raised \$1,300 for transportation costs. They were guests of
soccer people in all the cities visited.

Members of the team were, Ronald Leibl; Bill Long, Jim Stewart,

SASKATCHEWAN

SASKATCHEWAN F.A., by James Ritchie

The Association was formed in 1906 in the town of Grenfell. A delegation was sent to Regina to interview the members of the first Legislature of the Province of Saskatchewan for a trophy emblematic of the championship of the Province. The result was the Challenge Shield.

Since that year the Shield has travelled to almost every part of the Province. It was won outright by Prince Albert City victories in 1913-14-19 but was returned to the Association for further competition.

The Province has never been able to produce a National champion although in 1933 and 1934 Prince Albert City Reds reached the final only to be defeated by Toronto Scottish and Verdun Park.

ONTARIO F.A. By A. M. MacGregor

Dormant during the war years the Association was revived three years ago and operated by a Commission appointed by the D.F.A. By far the largest in Canada it comprises 121 senior clubs with nearly 3,000 registered players, exclusive of junior and juveniles, and this year has returned to an elective basis.

The capital city, Toronto, has proven to be the best drawing center in North America and foreign team games in the past few years have repeatedly topped the 20,000 mark.

ESSEX COUNTY F.A., by Maurice W. Honeyman

At all times the competition was keen and the calibre of play was much better than in 1949. This could be attributed to an influx of European immigrants who could play and required little coaching.

The Corinthians, led by Gil Heron, who scored 75 goals in the league, swept the board, winning the League, Charity Cup, Border Cities Star Cup and the Firemen's Cup along with the Western Ontario Challenge Cup.

TORONTO & DISTRICT SENIOR LEAGUE, by Alex MacGregor

The League had the best season in its history, not only in number of participating clubs but also in quality of play and numbers of spectators attending the games.

Three factors contributed to this. The League with 32 clubs set an all time high, the influx of immigrants from Europe brought many experienced players which resulted in the bolstering of the older clubs and the formation of new units. Toronto citizens on a vote recognized Sunday sports and soccer being the most popular of all experienced a surge of many thousands of spectators, especially when the new teams were playing.

Despite a difficulty of finding playing fields the League expects to have a larger roster in the coming season.

QUEBEC

QUEBEC F.A., by Doug Campbell, Montreal Star

The outstanding feature of the 1950 season in the Montreal area, which practically comprises all of the Province's soccer, was the part taken by European immigrants. The advent of the Ukrainia, Polonia and Italia put a different complexion on the game as they played the fast Continental style. DP'S and other new Canadians follow these clubs by the thousands making the second string loop, officially the Montreal and District League, where most of them played, the most profitable in the matter of turnstile clicking.

The Naional League, Eastern Section, with the seven supposedly stronger clubs, facing bankruptcy in its tieup with the Western Section in the Toronto-Hamilton area made its peace with the local moguls and all teams were amalgamated into one league. This promoted Hakoah, Ukrainia and Polonia and demoted Vickers and Engineering.

In pot hunting two clubs stood out but in neither case did they win the loop pennant. Stelco, won its first three, then dropped four but ran out the last 16 games as victories to win almost everything on the board with the exception of the league.

Hakoah and Ukrainia staged a neck-and-neck race down to the wire with the former being required to win the last eight tilts to force a playoff, but heavy engagements in the Dominion Cup caused them to stumble.

The National League passed up the Dominion championship in protest against the denial for a month's hoist in the dates. Hakoah beat Toronto Maher after an extra game and travelling to Winnipeg by air lost the first game 6-1, tied the second 0-0 and after holding their opponents to a 0-0 tie until halftime in the third stanza allowed the Winnipeg Scottish to rack up a 6-0 score.

Ukrainia from New York and Hagitor from Toronto came here for a series of games in which the local clubs more than held their own.

Fulham of the English League were astonished when Montreal held them to a 2-2 tie with the locals twice holding the lead during the game.

LAWS OF THE GAME

U.S.S.F.A. Rule 49. The Laws of the Game as promulgated by the Federation Internationale de Football Association shall come into force at the beginning of the season next ensuing.

LAW 1 — THE FIELD OF PLAY

(1) **Dimensions.** The field of play shall be rectangular, its length being not more than 130 yards nor less than 100 yards and its breadth not more than 100 yards nor less than 50 yards. (In International Matches the length shall be not more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards.) The length shall in all cases exceed the breadth.

U.S.S.F.F. CHALLENGE CUP. Length, 110-120 yards. Breadth, 70-80 yards.

AMATEUR CUP. Length, 105-120 yards. Breadth, 60-80 yards.

Where the field of play is less than the minimum allowed but only slightly varying in size special permission to play may be obtained.

Divisional semi-finals, divisional finals and grand final games must be played on fields of proper dimensions.

(2) **Marking.** The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut, in accordance with the plan, the longer boundary lines being called the touch-lines and the shorter lines the goal-lines. A flag on a post not less than 5 ft. high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the half-way line on each side

of the field of play, not less than 1 yard outside the touch-line. A half-way line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yards radius shall be marked round it.

(3) **The Goal-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a goal-area.

(4) **The Penalty-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a penalty-area. A suitable mark shall be made within each penalty-area, 12 yards from the mid-point of the goal-line, measured along an undrawn line at right angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

(5) **The Corner Area.** From each corner-flag post a quarter circle, having a radius of 1 yard, shall be drawn inside the field of play.

(6) **The Goals.** The goals shall be placed on the centre of each goal-line and shall consist of two upright posts, equidistant from the corner-flags and 8 yards apart (inside measurement), joined by a horizontal cross-bar the lower edge of which shall be 8 ft. from the ground. The width and depth of the goal-posts and the width and depth of the cross-bars shall not exceed 5 in.

Nets may be attached to the posts, cross-bars and grounded behind the goals. They should be appropriately supported and be so placed as to allow the goal-keeper ample room.

LAW 2. — THE BALL

The ball shall be spherical; the outer casing shall be of leather and no material shall be used in its construction which might prove dangerous to the players. The circumference of the ball shall not be more than 28 in. nor less than 27 in. The weight of the ball at the start of the game shall not be more than 16 oz. nor less than 14 oz.

LAW 3. — NUMBER OF PLAYERS

The game shall be played by two teams each consisting of not more than eleven players, one of whom shall be the goal-keeper. One of the other players may change places with the goalkeeper during the match provided notice be given to the Referee before such change is made. Except in a match played under the Rules of a Competition, substitutes may be allowed to replace players receiving injuries during a game, subject to this arrangement being agreed upon by both teams before the start of the match. (An International Match in which one of the four British Associations is playing is deemed a match under the rules of a competition.)

Punishment. If without notifying the referee, a player changes to goalkeeper during the game, and then handles the ball within the penalty-area, a penalty-kick shall be awarded. **Any player leaving the field during the progress of the game (except through accident) without the consent of the Referee shall be deemed guilty of ungentlemanly conduct.**

U.S.S.F.A. CHALLENGE & AMATEUR CUPS.

1. A maximum of four (4) substitutes shall be allowed at any time during the game. (This includes regular and overtime periods).
2. Substitution can only be made when the ball is out of play.
3. Substitutes must report to the referee, giving their full names, before being allowed to participate.
4. A player who has been substituted for can return to the same game.
5. A player ordered from the field of play by the referee can be substituted for but cannot again return to the game himself.

Substitutions are permitted only at the following times:

- (a) **Goal.**
- (b) **Goal-kick.**
- (c) **Throw-In, but only for the team awarded the throw-in.**
- (d) **Half-time.**
- (e) **When play is stopped for an injury.**
- (f) **For player sent off the field.**

LAW 4. — PLAYER'S EQUIPMENT

A player shall not wear anything which is dangerous to another player. Boots must conform to the following standard: all **bars** and **studs** must be made of leather or soft rubber; nails shall be driven in flush with the leather or rubber; **bars** shall be transverse and flat, not less than half-an-inch in width, and they shall extend for the total width of the boot and be rounded at the corners; **studs** shall be round in plan, neither conical nor pointed, and not less than half-an-inch in diameter; **combined studs** and **bars** may be worn provided the whole conforms to the general requirements of this Law; neither **bars** nor **studs** on the soles or heels shall project more than three-quarters of an inch. Other than the small metal seating for the screw type of stud, no metal plates, even though covered with leather or rubber, shall not be worn.

(N.B.—The usual equipment of a player consists of a jersey or shirt, short trousers, stockings and boots. A goalkeeper **must** wear colors which distinguish him from the other players.)

Punishment. For any infringement of this Law, the player at fault shall be sent off the field of play temporarily. He shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

LAW 5. — REFEREES

A Referee shall be appointed to officiate in each game. He shall:

- (a) Enforce the Laws and decide any disputed point. His decision on point of fact connected with the play shall be final so far as the result of the game is concerned. His jurisdiction begins from the time he

signals for the kick-off, and his power of penalising shall extend to offences committed when play has been temporarily suspended or when the ball is out of play. He shall, however, refrain from penalising in cases where he is satisfied that by doing so he would be giving an advantage to the offending team.

(b). Keep a record of the game; act as timekeeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

(c) Have discretionary power to stop the game for any infringement of the Laws and to suspend or terminate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall report the matter to the National or Affiliated Association under whose jurisdiction the game was played, within two days (Sundays not included). Reports will be deemed to be made when received in the ordinary course of post.

(d) Have discretionary power, from the time he enters the field of play, to caution any player guilty of misconduct or ungentlemanly behavior and, if he persists, to suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the National or Affiliated Association concerned, within two days after the occurrence (Sundays not included). Reports will be deemed to be made when received in the ordinary course of post.

(e) Allow no person other than the players and linesmen to enter the field of play without his permission.

(f) Stop the game if, in his opinion, a player has been seriously injured; have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

(g) Have discretionary power to suspend from further participation in the game, without previous caution, a player guilty of violent conduct.

(h) Signal for recommencement of the game after all stoppages.

LAW 6. — LINESMEN

Two Linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play and which side is entitled to the corner-kick, goal-kick or throw-in. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a Linesman, the Referee shall dispense with his services and arrange for a substitute to be appointed. (The matter shall be reported by the Referee to the National or Affiliated Association having jurisdiction over the offending Linesman.) The Linesmen should be equipped with flags by the Club on whose ground the match is played.

LAW 7. — DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through accident or other cause, the amount of which shall be a matter for the discretion of the Referee; (b) Time shall be extended to permit of a penalty-kick

being taken at or after the expiration of the normal period in either half.

At half-time the interval shall not exceed five minutes except by consent of the Referee.

U.S.S.F.A. NATIONAL JUNIOR CHALLENGE CUP. Rule 7. The duration of the game shall be sixty (60) minutes divided into four (4) equal quarters of fifteen (15) minutes each and there shall be no intermission between the first and second and the third and fourth quarters.

LAW 8. — THE START OF PLAY

(a) At the beginning of the game, choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off.

The Referee, having given a signal, the game shall be started by a player taking a place-kick (i.e., a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing that of the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been played or touched by another player.

(b) After a goal has been scored, the game shall be restarted in like manner by a player of the team losing the goal.

(c) After half-time; when restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Punishment. For any infringement of this Law, the kick-off shall be retaken, except in the case of the kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred. A goal shall not be scored direct from a kick-off.

(d) After any other temporary suspension; when restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended and it shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

LAW 9. — BALL IN AND OUT OF PLAY

The ball is out of play:

(a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.

(b) When the game has been stopped by the Referee.

The ball is in play at all other times from the start of the match to the finish including:

(a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.

(b) If it rebounds off either the Referee or Linesmen when they are in the field of play.

(c) In the event of a supposed infringement of the Laws, until a decision is given.

LAW 10. — METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the the cross-bar, provided it has not been thrown, **carried or propelled** by hand or arm, by a player of the attacking side. Should the cross-bar become displaced for any reason during the game, and the ball cross the goal-line at a point which, in the opinion of the Referee, is below where the cross-bar should have been, he shall award a goal.

The team scoring the greater number of goals during a game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a "draw."

LAW 11. — OFF-SIDE

(20 diagrams illustrating points in off-side follow at the end of these Laws of the Game.)

A player is off-side if he is nearer his opponents' goal-line than the ball **at the moment the ball is played unless:**

(a) He is in his own half of the field of play.

(b) There are two of his opponents nearer to their own goal-line than he is.

(c) **The ball last touched an opponent or was last played by him.**

(d) He receives the ball direct from a goal-kick, a corner-kick, a throw-in, or when it is dropped by the Referee.

Punishment. For an infringement of this Law, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred.

A player in an off-side position shall not be penalised unless, in the opinion of the Referee, he is in interference with the play or with an opponent, or is seeking to gain an advantage by being in an off-side position.

LAW 12. — FOULS AND MISCONDUCT

A player who intentionally commits any of the following nine offences:

(a) Kicks or attempts to kick an opponent;

(b) Trips an opponent, i.e. throwing or attempting to throw him by use of the legs or by stooping in front of or behind him;

(c) Jumps at an opponent;

(d) Charges an opponent in a violent or dangerous manner;

(e) Charges an opponent from behind unless the latter be obstructing;

(f) Strikes or attempts to strike an opponent;

(g) Holds an opponet with his hand or any part of his arm;

(h) Pushes an opponent with his hand or any part of his arm;

(i) Handles the ball, i.e. carries, strikes or propels the ball with his hand or arm (This does not apply to the goalkeeper within his own penalty area.) shall be penalised by the award of a **direct free-kick** to be taken by the opposing side from the place where the offence occurred,

Should a player of the defending side intentionally commit one of the above nine offences within the penalty area he shall be penalised by a **penalty kick**. A penalty kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty area is committed.

A player committing any of the five following offences;

1. Playing in a manner considered by the Referee to be dangerous, e.g., attempting to kick the ball while held by the goalkeeper;
2. Charging fairly, i.e. with the shoulder, when the ball is not within playing distance of the players concerned and they are definitely not trying to play it;
3. **When not playing the ball, intentionally obstructing an opponent, i.e. running between an opponent and the ball, or interposing the body as to form an obstacle to an opponent.**
4. Charging the goalkeeper except when he—
 - (a) is holding the ball
 - (b) is obstructing an opponent
 - (c) has passed outside his goal area
5. When playing a goalkeeper, carrying the ball, i.e. taking more than four steps while holding the ball without bouncing it on the ground shall be penalised by the award of an **Indirect Free-Kick** to be taken by the opposing side from the place where the infringement occurred.

A player shall be cautioned if;

(j) he joins his team after the game has commenced **or** returns to the field while the game is in progress without reporting to the Referee or without waiting for a stoppage of the game. If the game has been stopped (to administer the caution) it shall be restarted by the Referee dropping the ball at the place where the infringement occurred, but if the player has committed a more important offence he shall be penalised according to that section of the Law infringed:

- (k) he persistently infringes the Laws of the Game;
- (l) he shows by word or action dissent from any decision given by the Referee;
- (m) he is guilty of ungentlemanly conduct;

For any of these last three offences, in addition to the caution, an **indirect free-kick** shall also be awarded to the opposing side from the place where the offence occurred.

A player shall be sent off the field of play if he

1. Persists in misconduct after having received a caution.
2. Is guilty of violent conduct, i.e., using foul or abusive language, or if, in the opinion of the Referee, he is guilty of serious foul play.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the Law having been committed, the game shall be resumed by an **indirect free-kick** to be taken by a player of the opposing team from the place where the infringement occurred.

LAW 13. — FREE-KICK

Free-kicks shall be classified under two heads: "Direct" (from which a goal can be scored direct against the offending side), and "Indirect"

(from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a direct or indirect free-kick is being taken, a player of the opposite side shall not approach within 10 yards of the ball until it is in play, unless he be standing on his own goal-line, between the goal-posts. If a player of the opposing team approaches within 10 yards before the kick is taken the Referee shall delay the taking of the kick until the Law is complied with. The ball shall not be deemed in play until it has travelled the distance of its own circumference. The ball must be stationary when the kick is taken, and after taking the kick, the kicker shall not play the ball a second time until it has been touched or played by another player. In the case of a free-kick being awarded to the defending side in the penalty area, the goalkeeper shall not receive the ball into his hands in order that he may thereafter kick it into play; the ball must be kicked direct into play beyond the penalty-area, and if this part of the Law is not complied with the kick shall be retaken.

Punishment:

If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred.

LAW 14. — PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players, with the exception of the player taking the kick, and the opposing goalkeeper, shall be within the field of play but outside the penalty-area, and at least 10 yards from the penalty-mark. The opposing goalkeeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e., **traveled the distance of its circumference**, and a goal may be scored direct from such a penalty-kick. If the ball touches the goalkeeper before passing between the posts, when a penalty-kick is being taken at or after the expiration of half-time or full-time, it does not nullify a goal. If necessary, time of play shall be extended at half-time or full-time to allow a penalty-kick to be taken.

Punishment:

(a) For any infringement by the defending team the kick shall be retaken, if a goal has not resulted.

(b) For any infringement by the attacking team, other than by the player taking the kick the kick shall be retaken, if a goal has resulted.

(c) For any infringement by the player taking the penalty-kick, a player of the opposing team shall take an indirect free-kick from the spot where the infringement occurred.

LAW 15. — THROW-IN

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed

the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on or outside the touch-line. The thrower shall use both hands and shall deliver the ball from over his head. The ball shall be in play immediately it is thrown, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

(a) If the ball is improperly thrown in the throw-in shall be taken by a player of the opposing team.

(b) If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred.

LAW 16. — GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the attacking team, it shall be kicked direct into play beyond the penalty-area, from a point within that half of the goal-area nearest to where it crossed the line, by a player of the defending team. A goalkeeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e. direct into play, the play shall be retaken. **The kicker shall not play the ball a second time until it has touched or been played by another player.** A goal shall not be scored direct from such a kick. Players of the team opposing that of the player taking the goal-kick shall remain outside the penalty area whilst the kick is being taken.

Punishment:

If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred.

LAW 17. — CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall take a kick from within the quarter-circle at the nearest corner flag-post, which must not be removed, i.e. a corner-kick. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e. it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.

Punishment:

For an infringement of this Law, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred.
